Dear Ladies/Sirs,

The Academic Circle of Real Estate Management, Agricultural Law and Environmental Protection and the Department of Agricultural, Food and Environmental Law of the Faculty of Law and Administration of Adam Mickiewicz University cordially invite you to participate in the International Scientific and Educational Conference "Current Issues in Agricultural Law, Real Estate Management and Environmental Protection".

The conference will be held on Tuesday, July 23, 2024, via the MS Teams application.

We invite researchers, doctoral candidates, students, trainees, practitioners, and all individuals interested in issues related to law and economics in the fields of agriculture, real estate management, and environmental protection, including animal rights protection, to present papers.

The organizers have planned four panels, including one in English.

Proposed topics:

§ Panel I: Agricultural Law:

Trade in agricultural real estate
Easements in rural areas
Generational change in agriculture
Intellectual property in agriculture
Impact of the war in Ukraine on agriculture
Digitalization of agriculture
Organic farming
Common Agricultural Policy of the European Union, particularly 2023-2027
Eco-schemes (e.g., areas with honey plants, carbon farming, integrated plant production)
Taxes in agriculture
Social insurance for farmers
Property insurance in agriculture
Organization of agricultural producers
Legal aspects of livestock breeding
Contracts in agriculture

§ Panel II: Real Estate Management:

Legal issues related to property boundaries, including demarcation and reinstatement
Management of properties owned by the State Treasury and local government units
Land consolidation and exchange
Adjacency fees, planning fees

Adverse possession of real estate
Digitalization of administration in real estate management
Land and building registry
Land and mortgage registers
The Act on the Ownership of Premises
Housing cooperatives
Division of real estate, including agricultural land
Tax aspects related to real estate (e.g., property tax, civil law transactions tax, personal income tax, VAT)

§ Panel III: Environmental Protection:

Environmental protection policy and programs
Climate change
Air protection
Legal protection of waters
Legal protection of forests
European Green Deal
Circular economy
Renewable energy sources
Energy transformation
Administrative fines
Welfare of farm animals
Protection of domestic and farm animals
Permits, including integrated permits
Nature protection – legal forms of nature protection (area-based and individual)
European Ecological Network Natura 2000
Environmental proceedings involving public participation – principles of participation, involvement of environmental organizations

Panel IV in English:

Especially addressed to researchers, doctoral candidates, and students from foreign institutions, including Erasmus+ participants.
Topics related to agricultural law, real estate management, and environmental protection

Please submit topics and abstracts by June 30, 2024, via the following link:

Link to submission form:

https://docs.google.com/forms/d/1unQ6f3R5WcBC4_yMjl4sDgrgC1DG_G4qrNd0B-fFhWs/edit?pli=1

Notification of accepted abstracts will be sent by email by July 10, 2024.

Participation in the conference is free of charge. The conference will be conducted remotely without the need for registration, via the MS Teams link:
